Heß-Club Convention 2013

Dear Yves and Clare,

We would like to express our warmest thanks for your great commitment regarding the planning and successful organization of the excursions and transfers on the occasion of our annual Heß-Club Convention to you and your team.

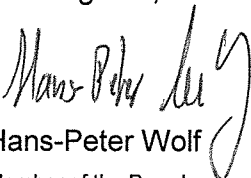

Everything worked out smoothly and all the excursions were planned very well and our guests gained interesting and unusual insights into the "Athens of the North". Even the transfers were timely despite the traffic and our tightly organized schedule and its changes.

Experience Scotland has delivered a very good performance.

You and your team have contributed considerably to improve the knowledge of Scotland and to remember the great atmosphere at this unique convention for a long time to come. We have received a lot of positive feedback by our guests which we would be glad to share with you.

Many thanks to you both and your team for helping us to put on memorable excursions in Scotland.

Best regards,

Hans-Peter Wolf
