EXPERIENCE SCOTLAND

Scotland

Mr Yves Lemarchand
Managing Director

Belgrade, 17th September 2012

Dear Mr Lemarchand,

I hope this letter will find you well.

Let me use this opportunity to thank you on behalf of the Football Association of Serbia, players and members of the technical staff of the National Team of Serbia and on my personal behalf for the excellent organisation of our stay in Scotland, in the period 6 -8 September 2012 and on the occasion of the 2014 FIFA World Cup Brazil Group A qualifier between Scotland and Serbia.

Professionalism you showed, kindness, attentiveness and indisputable experience made our stay in Scotland more than pleasant. Although it was the first match in the new qualification cycles, which usually is of great importance, your work enabled us to have optimal conditions for the excellent match preparation.

With reference to that, and also further to the absolute cooperation as from we met for the first time during the inspection visit, we feel very grateful. It is absolutely for certain that we will be more than happy to cooperate with you again, on the occasion of the first next stay of any of the Serbian national teams in Scotland. All this is said with addition that you have friends in Serbia who you can always count on.

Besides the thanks to you, FA of Serbia also thanks, with all the references, to the agency you are managing - "Experience Scotland", deeply believing that the choice of all of you is the right one for truly experiencing Scotland and enjoying every moment of it.

Until we meet again, we remain with our warmest regards and wish you all the best in your personal and professional life.

With warmest regards,

Aleksandar Bošković
Manager of the National Team of Serbia
